Dear friends,

The theatre industry may be in some turmoil nationwide, but here at the Acadia Rep, we're still chugging along like the Little Theatre That Could, thanks to hard-working actors and staff, supportive businesses, and, most especially, many thousands of dedicated audience members like you!

We again offer several options for you to subscribe and support the Theatre this year, and any **Donations** you would care to make beyond that will not only provide us essential support, but may be tax-deductible as a charitable contribution! Please combine these options as you see fit! Anything you feel you are able to donate is enormously helpful for our work. No donation is too small. We look forward to greeting you in Somesville!
